THE INTENSIVE ENGLISH PROGRAM (IEP)

The Gulf Language School's (GLS) Intensive English Program is designed to improve your English skills and provide a pathway to pursue a Bachelor or Master's Degree program at university. The courses aim to improve the language, study, and critical thinking skills of each student. IEP has a unique curriculum that prepares students for success in a university's academic environment.

In addition to improving your English skills, the IEP courses provide an intensive, fast-track route to meeting the English requirement for university placement in Undergraduate and Graduate degrees.

GLS INTENSIVE ENGLISH PROGRAM

Offers a variety of courses and uses the latest ESL teaching techniques. Our program has 6 levels of proficiency from basic to advanced

MEDICAL ENGLISH/OET PREPARATION

Gulf Language School at North American University offers international medical professionals an opportunity to improve their English during weekday and weekend classes, in 16-week sessions. The course is for students who wish to master the four skills of reading, listening, writing, and speaking, which concentrate on content that is specific to healthcare professions, and will help improve their ability to communicate in English in a hospital or clinical setting.

The Gulf Language School at North American University is approved as a preliminary OET preparation provider by the Occupational English Test organization. The course encompasses all the test components that learners need to take their OET. This applies to doctors and nurses applying for positions in the US. The test has been formally recognized by the Educational Commission for Foreign Medical Graduates | Foundation for Advancement of International Medical Education and Research (ECFMG|FAIMER). The test is the only international English language test used specifically for healthcare professions.
