North American University is a small university located in a diverse, metropolitan city full of opportunities. Here at North American University students receive personal attention and find many options for social engagement. Our student body represents the best of the United States of America and the world in diversity. Our faculty is highly qualified with doctorate degrees in their fields and a vast body of professional experience.

NAU is a private, non-profit, full-service college offering baccalaureate degree programs in three disciplines with several concentrations. We are located in Southwest Houston, in Stafford, Texas. NAU offers a student-centered learning environment where every student is valued and provided with opportunities to grow.

As an institution of higher learning committed to global cultural competency, North American University offers a unique educational experience to our diverse student body, and our custom-designed learning programs provide excellent opportunities to prepare for a globalized professional world where cultural competency is a great asset.

DEPARTMENT OF BUSINESS ADMINISTRATION

The 4-year Business Administration bachelor degree program provides our students with a high-quality education and prepares them to become proficient and responsible managers in which today's business environment needs the most. Our graduates are acquainted with information related to the legal framework of the business world, technological improvements, and are well prepared for a changing business environment with a global perspective.

DEGREE CONCENTRATIONS

The Business Administration program focuses on three areas of business specialization:

- **FINANCE**
- **MANAGEMENT**
- **INTERNATIONAL BUSINESS**

DEPARTMENT OF COMPUTER SCIENCE

Computer Science is a rapidly evolving discipline that touches almost all aspects of our daily lives by directly or indirectly affecting many other disciplines including but not limited to science, engineering, education, and business. In the light of this fact Computer Science at North American University lays a comprehensive foundation that promotes educational excellence as well as scholarly achievement by providing outstanding education to its students for their productive careers in industry, academia, and government.

COMPUTER SCIENCE CONCENTRATIONS

Bachelor of Computer Science students have the opportunity to reach their career goals with one of the concentrations:

- **COMPUTER NETWORKING**
- **SOFTWARE ENGINEERING**

DEPARTMENT OF INTERDISCIPLINARY EDUCATION

The Education Department offers programs which are designed to assist students in developing the knowledge, skills, and disposition they need to become effective teachers, leaders and advocates in the field of education. Each program is led by highly educated, skilled faculty members who oversee the progress of each student as he or she progresses through an intense program of study.

EDUCATION CONCENTRATIONS

The program offers students pursuing a B.S. degree in Interdisciplinary Studies in Education with three concentrations:

- **MATHEMATICS**
- **ENGLISH LANGUAGE ARTS/READING**
- **ELEMENTARY EDUCATION**

INTENSIVE ENGLISH PROGRAM

For non-native speakers who wish to achieve proficiency in English for academic or professional purposes. As an IEP student at Gulf Language School (GLS), you will improve listening, speaking, reading, and writing skills in a stimulating academic learning environment. The mission of the Gulf Language School is to provide quality English language instruction for students whose native language is not English.

GLS INTENSIVE ENGLISH PROGRAM OFFERS A VARIETY OF COURSES & USES THE LATEST ESL TEACHING TECHNIQUES. OUR PROGRAM HAS 6 LEVELS OF PROFICIENCY FROM BASIC TO ADVANCED.

The Gulf Language School Intensive English Program is accredited by the Commission on English Language Program Accreditation (CEA) for the period December 2014 through December 2018 and agrees to uphold the CEA Standards for English Language Programs and Institutions. CEA is recognized by the U.S. Secretary of Education as a national accrediting agency for English language programs and institutions in the United States. STUDENT LIFE

North American University offers a vibrant student life! We have many on campus clubs and services to help support a healthy balance between academics and social development.

STUDENT SERVICES

Student Service professionals support students' academic, social, and personal needs so they can enjoy a productive daily life at the College.

DINING

On campus dining offers students healthy home-cooked breakfast, lunch and dinner. The Dining Services of North American University has worked hard to design a dining program guaranteed to meet your individual needs. You have got plenty on your mind: classes, sports, clubs, community service etc, so we have made it our goal to make sure that you won't have to worry about finding something great to eat when you want it.

DORMS

University life is a wonderful experience and housing is an important component of it. Our campus is in a prime Houston location offering the ease of attending classes and maintaining an active social life. We currently have 2 floors of dormitories for students on campus, the 5th floor for men and 6th floor for women. As our campus grows, we are constructing a new student facility on campus, which will hold additional dormitories, cafeteria and auditorium.

HOUSTON IS THE **4TH LARGEST** CITY IN THE UNITED STATES,
