

## **Organization Events List**

In order to be considered a chartered/active organization on campus you must fulfill 2 events, activities, or educational programs each semester.

### 2 Events

Every organization must coordinate/plan 2 events, activities, or educational programs of their choosing each semester or the organization may choose to sponsor a Student Life event. An organization may choose to partner with another organization to plan an event.

### Types of Events

**Educational** - This program must be inclusive to education. For instance, you may have a lecture, seminar, or 'hot to...' workshop. You may put on this event by providing the information yourself or having a guest speaker.

**Activity** – This event can be inclusive as to what you want to do. It can be fun, for recruitment, athletic, or culture related. Activities can either be done just for your organization or for the NAU community.

**Unity** – This event includes the Houston community getting involved. For example, this can include fundraisers, concerts, etc.
