## COMPLAINT / GRIEVANCE FORM

Individuals with complaints should complete this form and submit to related party, such as a faculty member, staff personnel, program director, Dean of Students or the Vice President of Academic Affairs. All responses will be sent to your North American University email account only. Every individual at North American University has the right to a safe and supportive learning, working environment. Any action that interferes with operations of the University may be considered a violation of policy. Everyone should first seek to resolve the complaint according to University policies and procedures. Depending on the nature of the complaint, appropriate faculty or administration may be designated to investigate, mediate and suggest a resolution.

and suggest a res	solution.
