North American University is the continuation of two previous institutions of higher education. Texas Gulf Foundation (TGF), a non-profit educational organization founded on April 7, 2007. With addition of degree programs, TGI evolved into North American College in Fall 2010. After three years of successful academic and financial operations, North American College was approved by Accrediting Council for Independent Colleges and Schools (ACICS) to offer M. Ed in Educational Leadership beginning Fall 2013. With the addition of the graduate degree, North American College changed its name and became North American University in September 2013.

North American University is accredited by the Accrediting Council for Independent Colleges and Schools, a national accreditation agency recognized by the United States Department of Education, to award certificates, diplomas, Bachelor's and Master's degrees.

## **4 COMPENSATION AND CLASSIFICATION**

The compensation and classification program of North American University is administered by the Human Resources Office, based on the University's ability to pay. The program also provides recognition for differences in individual ability and performance.

### **4.1 Position Classifications**

Each classification is placed on a salary range sufficient to allow incentives for improved performance, job proficiency, years of service and individual efforts. The Human Resources Office shall, upon need or request from the unit supervisor, conduct classification reviews and studies of any position or classification, and may revise the classification plan or any individual position classification according to findings.

### **4.2 Salary Increases**

The salaries of employees are reviewed at the beginning of the fiscal year during budget preparation for the next fiscal year. Any adjustments are based on work performance, promotion, demotion, labor market conditions, legislative actions and budget constraints.

### **4.3 Disbursement of Payroll**

The Human Resources Office administers wage and salary and prepares pay structure and schedules. The compensation policy at NAU is to comply with all applicable laws, government regulations and university standards.

#### **4.3.1 Pay Days**

University employees are paid either semimonthly or monthly depending on their job classification. Employees in exempt positions are paid monthly on the last working day of the month. Employees in nonexempt positions who are paid on an hourly rate are paid twice every month.

Special provisions may apply during the extended break between the Fall and Spring semesters. Employees are paid according to the fiscal year payroll schedule, which is available at the Human Resources Office or on NAU website at [www.na.edu](http://www.na.edu). All new employees are given a current payroll schedule upon completion of payroll signup. Any changes to the schedule will be announced in advance to the employees.

### **4.3.2 Payroll Direct Deposit**

North American University uses a direct deposit system to have employee salaries deposited directly into their checking or savings accounts. The employee's financial institution must be a member of the Southwestern Automated Clearing House Association in order to activate direct deposit.

### **4.3.3 Payroll Deductions**

By law, the University is required to make certain deductions from an employee's paycheck. These include the following:

- Federal Income Tax (FIT);
- Social Security and Medicare Taxes (FICA tax);
- Court-ordered garnishments (child support and IRS levy);

Employees have the option of requesting additional deductions, such as health insurance or optional benefit premiums

## **4.4 Types of Appointments**

### **4.4.1 Regular Full Time Employees**

An employee is normally scheduled to work 40 hours per work week (1.0 FTE – full time equivalent). Regular full-time employees are those employees who work at least 30 hours per week (0.75 FTE) and maintain continuous regular employment status.

### **4.4.2 Regular Part Time Employees**

Regular part-time employees are those employees who work less than 30 hours per week and who maintain continuous regular employee status. Employees in this classification may work more than 30 hours per week on occasion, but should not average 30 hours per week or more during the appointment.

### **4.4.3 Temporary Employees**

Temporary employment is expected to last no more than one year. A temporary assignment should not be extended without the prior approval of the unit supervisor or President.

### **4.4.4 Student Employees**

Student employee status applies to those employees currently enrolled in North American University whose primary purpose for being at the University is to obtain an education.

Student workers may not work during their scheduled class times. While school is in session, international students, F-1 students, cannot work more than 20 hours per week even if they work at multiple jobs on campus. F-1 students may work full-time during those periods when school is not in session or during the student's annual break, as long as they are enrolling full-time the next semester. Students who are transferring may work at the school that has control of their record – at “the transfer-out school” before the release date, and “the transfer-in school” after the release date.

The IRS defines full-time on-campus employment as 40 hours per week for foreign students who are claiming an exemption from Social Security and Medicare taxes.

F-1 student status permits an international student to work on campus at the university that issued student's I-20 while a student is enrolled in a full course of study. International students must maintain F-1 status to be eligible for this employment benefit; maintaining status means that international student is a full-time registered student in good academic standing with a valid I-20.

All students who have been offered a job on campus must submit the forms required by the Human Resources Office prior their first day of employment. Students may not begin work or be paid until their forms are completed. For more details, please contact the Human Resources Office.

## **4.5 Exempt and Non Exempt Classifications**

All positions in North American University will be classified as either exempt or non-exempt in compliance with law and for pay purposes. In cases where the "exempt/non-exempt" status of an employee is in doubt, the Director of Business Affairs will review position duties and responsibilities against Fair Labor Standards Act (FLSA) exemption tests, and make a decision in consultation with the administration.

### **4.5.1 Exempt Classification**

Exempt classifications are those classifications which shall neither be entitled to the earning of, accrual of or credit for overtime and /or compensatory time (i.e. exempt employees are not covered by and are "exempt" from overtime protections). When exempt employees work more than 40 hours a week, not only do they not receive a higher hourly pay rate, they do not receive additional pay for the additional hours at all. The supervisor has the discretionary authority to arrange the work schedule of an exempt employee.

### **4.5.2 Non-Exempt Classification**

Non-exempt classifications are those classifications which shall be eligible for earning of and credit for, appropriately authorized overtime and/or compensatory time (i.e. non-exempt employees are protected by and not "exempt" from overtime laws). They receive overtime premiums when they work more than 40 hours a week. Non-exempt employees must maintain detailed records reflecting the actual time worked. Working overtime must be approved in advance by the employee's supervisor except in cases of emergency.

Describing an employee as salaried or agreeing to pay her/his a certain yearly salary does not mean that the employee is exempt. Unless the employee falls within the detailed guidelines for an exempt employee, the employee's yearly salary is broken down into an hourly wage, and the employee is owed overtime when she works more than 40 hours a week.

## **5 UNIVERSITY POLICIES**

### **5.1 Drug-Free Workplace and Substance Abuse Policy**

Waivers may be granted by the President, but performance evaluations and recommendations shall be made by a supervisor not related to the individual being evaluated. If members of the same family are recommended to work for the same supervisor, the arrangement must be approved in advance by the Director of Business Affairs.

If a supervisor/subordinate relationship between family members develops during employment, family members must notify the Human Resources Office immediately. This includes but is not limited to adhering to virus scan procedures, refraining from visiting risky web sites (such as game sites), following file download instructions and other security-based instructions issued by information technology services and or listed on the IT area of the NAU web site.

Certain programs, such as instant messaging and file sharing programs, constitute a network security risk and may not be installed on computers connected to the NAU network. The ITS section of the NAU intranet web site provides a current list of these programs. FTP and telnet protocols may be used only with specific approval of the IT staff. Other programs that consume significant resources or affect PC performance may also be prohibited on a case-by-case basis. If any dispute arises, the IT department has the institutional authority on all technology related issues.

However, information posted on a website is available to the public and, therefore, NAU has established the following guidelines for employee participation in social media.

*Note:* As used in this policy, “social media” refers to blogs, forums and social networking sites, such as Twitter, Facebook, LinkedIn, YouTube, Instagram and Snapchat among others.

#### **Off-duty use of social media.**

Employees may maintain personal websites or web logs on their own time using their own facilities. Employees must ensure that social media activity does not interfere with their work. In general, NAU

**On-duty use of social media.**

Employees may engage in social media activity during work time provided it is directly related to their work, approved by their supervisor, and does not identify or reference students, parents or vendors without express permission. NAU monitors employee use of company computers and the Internet, including employee blogging and social networking activity.

**Respect.** Demonstrate respect for the dignity of NAU, its students, its vendors and its employees. A social media site is a public place; employees should avoid inappropriate comments. For example, do not use ethnic slurs, personal insults, or obscenity, or use language that may be considered inflammatory. Even if a message is posted anonymously, it may be possible to trace it back to the sender.

**Post disclaimers.** If an employee identifies himself or herself as an NAU employee or discusses matters related to NAU on a social media site, the site must include a disclaimer on the front page stating that it does not express the views of NAU and that the employee is expressing only his or her personal views. For example: “The views expressed on this website/Web log are mine alone and do not necessarily reflect the views of my employer.” Place the disclaimer in a prominent position and repeat it for each posting expressing an opinion related to NAU. Employees must keep in mind that if they post information on a social media site that is in violation of company policy and/or federal, state, or local law, the disclaimer will not shield them from disciplinary action.

**Competition.** Employees should not use a social media to criticize NAU’s competition and should not use it to compete with NAU.

**Confidentiality.** Do not identify or reference NAU students, parents, other employees or vendors without express permission. Employees may write about their jobs in general but may not disclose any confidential or proprietary information. For examples of confidential information, please refer to the confidentiality policy. **Discipline.** Violations of this policy may result in discipline up to and including immediate termination of employment.

*Note:* Nothing in this policy is meant to, nor should it be interpreted to, in any way limit your rights under any applicable federal, state, or local laws, including your rights under the National Labor Relations Act to engage in protected concerted activities with other employees to improve terms and conditions of employment, such as wages and benefits.

## **5.4 Nondiscrimination Policy**

North American University prohibits discrimination against and harassment of any employee or any applicant for employment because of race, color, national or ethnic origin, age, religion, disability, sex, sexual orientation, gender identity and expression, veteran status or any other characteristic protected by applicable federal or state law. All personnel who are responsible for hiring and promoting employees and for the development and implementation of university programs and activities are required to support this effort and respond promptly to any concerns that are brought to their attention.

All travel requests for university business should be approved by the supervisor of the employee and the Director of Business Affairs. Travel request forms must be fully completed at least 10 business days before the first day of travel, clearly state the purpose of the travel, be approved and submitted to the Human Resources Office. The Human Resources Office reserves the right to not process any incomplete or late requests.

### **5.5.2 Transportation**

#### ***5.5.2.1 Air Travel***

All airline tickets must be booked at the lowest available airfare. Employees shall choose a connecting flight if there is a significant cost saving compared to a direct flight. In case of multiple connections to the final destination, an employee may purchase a direct flight ticket or a single connection flight ticket by consulting with the supervisor. Employees may not specify a preferred carrier if a significantly lower cost fare is available.

Extra baggage fees will be reimbursed only if the employee carries university related items. Rebooking or change fees will be reimbursed if the change is requested by the supervisor or emergency situations exist.

### **5.5.2.2 *Personal Vehicles***

Employees may use personal vehicles for business travel when doing so is less expensive than renting a car or taking a taxi. Valid expenses related to the use of personal vehicles for business travel are reimbursed based on 45 cents per mile which covers the use of the vehicle, gasoline and insurance.

Employees driving their own vehicles for business travel are responsible for ensuring adequate insurance coverage for their protection and for the protection of passengers. Their personal auto insurance carrier is deemed the primary insurance carrier.

Employees may use their personal vehicles for local and in-city travels such as Houston and Sugarland metropolitan area within 50 miles one way from NAU main campus. For longer distance travels, employee should consult with the supervisor and rent a car if renting is less expensive.

Costs of repairs to personal vehicles during business travel are deemed personal expenses and university funds cannot be used for such expenses.

### **5.5.2.3 *Rental Cars***

Costs related to rental cars are deemed valid business expenses when renting a car is less expensive or more feasible than other transportation options available.

Reimbursable costs include daily rental fee, tolls, authorized insurance charges, and relevant parking fees. Non-reimbursable costs include but are not limited to vehicle repairs, GPS rentals and fines for traffic violations.

Employees are urged to choose economy or compact cars unless there is a special circumstance approved by the supervisor. Employees who wish to upgrade to a larger size car is responsible to pay the upgrade fee.

Individuals who travel on University business are reimbursed for meal expenses they incur. The University reimburses meal expenses in two ways: according to actual, substantiated costs, or at established "per diem" rate. Travelers cannot switch between these two methods in one trip; the method travelers choose applies to all meal expenses incurred throughout the trip. When opting to be reimbursed based on actual costs of each meal, travelers are required to provide detailed receipts or other appropriate documentation for all meals taken throughout the trip. Documentation is necessary in satisfying requirements of the University's "accountable plan," an expense allowance and reimbursement arrangement governed by IRS regulations. The alternative to keeping receipts and other appropriate documentation for each meal during travel is the "per diem," or being reimbursed at an amount set as meal allowance for each day of travel. The per diem applies only when overnight travel is involved. The per diem rate is \$45.

### **5.5.3 *Meal***

Employees are expected to make reasonable selections when ordering meals. Employees may request for reimbursement for meals in two ways. Employees may either provide all detailed receipts of meals for reimbursement or they may use per diem meal allowance for overnight travels.

When requesting reimbursement by providing receipts, the maximum amount to be reimbursed for each meal is as follows:

Breakfast	Lunch	Dinner	Total per day
\$ 9	\$15	\$21	\$45

At the discretion of Human Resources Office, reimbursement requests in excess of the maximums may be reimbursed if supported by a receipt and a reasonable explanation approved by the supervisor.

In domestic overnight travels, employees may request a meal reimbursement based on North American University per diem meal allowance. An employee cannot use per diem rate for one day and reimbursement by receipts for another day on the same travel. When reporting meal expenses for reimbursement based on the per diem rate, employees are required to prorate the meal allowance for the first and last day of your trip based on the table below.

Trip	Breakfast	Lunch	Dinner
One day trip	Yes, if departure from home is prior to 6:30 am	Yes, if departure is prior to 11:00 am or return is after 2:00 pm	Yes, if departure is prior to 5:00 pm and return is after 7:00 pm
First and last day of a multi-day trip	Yes, if departure is prior to 6:30 am. or return is after 10:00 am	Yes, if departure is prior to 11:00 am or return is after 2:00 pm	Yes, if departure is prior to 5:00 pm or return is after 7:00 pm

For international travels, the employee shall consult with the supervisor on these rates based on the standards in the destination country.

#### **5.5.4 Lodging**

When choosing a hotel, employees are advised to compare prices for the various hotels and stay in a standard room within a reasonable distance from where the university business takes place. Costs that are charged to the hotel room are deemed valid and reimbursable if they are related or necessary to University business. The final hotel folio, which reflects all charges made to the room, is required for reimbursement. Extra services that are not necessary for the university business are not reimbursable. Exceptions may be granted if the expense is necessary, documented and approved by the supervisor.

When two employees share a hotel room, each individual should obtain their own receipt from the hotel. Receipt should have the person's name and date of the stay. If the hotel does not give separate receipts, one receipt can be obtained as long as each traveler's name appears on the receipt. The traveler can only claim half of the cost and tax of a room. A statement should be written on the receipt stating "only one half of hotel cost is being claimed." Both travelers must fill out "Travel Reimbursement Form" and claim their half of the expenses.

#### **5.5.5 Travel Request**

All travel requests for in-state, domestic and foreign travels should be submitted using NAU "Travel Request Form". All requests should be made at least 10 business days prior to the requested date of travel and approved by the supervisor. If more than one person is travelling, include all names or attach additional forms if necessary. The first person listed should be the requester who will accept responsibility for any vehicles rented, any cash given, etc., and should be the person to sign the request.

Expenses incurred by students are paid or reimbursed by the University only when the students are also NAU employees and the expenses are approved by the supervisor.

For in-city and local travel, a travel request is not necessary. If employees wish to be compensated for mileage traveled in their personal vehicle, they should fill out the “Mileage Reimbursement Form” that documents the purpose of their travel and distance traveled. If any tolls and/or parking fees were paid, they should enter that as well. Once the form is completed, it should be signed by the employee, her supervisor, and the Director of Business Affairs. The signed form should be turned into the Human Resources Office for reimbursement. It is recommended that the employee waits until she accumulates \$20.00 in mileage reimbursements before submitting the request.

### **5.5.6 Pre-paid Items**

If the employee requests funds to pay for hotel, airfare or any other items prior to travel, then she must fill “Prepaid Items” section of the “Travel Request Form” out and estimate the cost of these items. The employee should provide the hotel and flight information that includes the expected costs. For example, if the requester is planning on travelling to Chicago, she should look up hotel and flight availability and print copies of available hotels, flight information, and car rentals from travel websites. These estimates shall be approved by the supervisor and the Director of Business Affairs.

### **5.5.7 Estimated Items for Reimbursement**

If the requester has expenses they anticipate being reimbursed for, they must fill in this section of the “Travel Request Form” before they leave. If travelers choose to pay for their airfare or hotel with their own funds, they need to fill in this section and provide copies of the hotel and/or flight information including costs prior to ordering these items. Failure to submit this information at the time of the travel request may result in denial of reimbursement later.

### **5.5.8 Cash Pre-Imbursement Requests**

Cash pre-imbursements may only be issued for foreign travel requests as well as domestic travel requests that will last longer than one week. If cash pre-imbursement is necessary for any other circumstances, an explanation should accompany the request. The request should be made on the “Travel Request Form”. Travelers can fill out the pre-imbursement request with estimates on what they expect to spend on the listed items. These should not include any pre-paid items. For example, if the University pays for a hotel in advance, the requester should NOT list the cost of the hotel in the cash pre-imbursement box.

Total cash authorized and issued to the requester will be listed at the bottom of the “Travel Request Form” and the requester must sign the form acknowledging receipt of the money. By signing this form the requester acknowledges that she will only use pre-imbursed money for authorized purchases and if there are any remaining funds after returning from the trip, they are required to return it to the Human Resources Office along with all the travel receipts.

### **5.5.9 Cancelling or Modifying a Request**

The requester should inform the supervisor and the Human Resources Office as soon as possible if a planned trip is cancelled or changed. All valid reasons for cancelling or changing the request should be

submitted to the supervisor in writing. Verbal cancellations or change requests are not acceptable. A new Travel Request Form should be submitted if needed.

#### **5.5.10 Travel Reimbursement**

Travelers should keep copies of their receipts that they wish to have reimbursed by NAU. All receipts should be delivered to the Human Resources Office no later than 10 business days following a trip. Notation should be made regarding the traveler's name, the travel dates and the destination(s). Also, if the traveler uses their own vehicle for any trip, they should notate miles traveled in their personal vehicle. For in city travel, all faculty and staff should continue to use "Mileage Reimbursement Form" rather than submitting mileage to the related administrative assistant.

## **6 HOURS OF WORK**

### **6.1 Work Week**

The work week at North American University begins at 12:01 a.m., Sunday, and ends at 12 midnight, Saturday. An employee will be scheduled to work 40 hours per work week, and normal work hours are from 8 a.m. to 5 p.m. with one hour off for lunch.

A supervisor may designate the lunch hour and make adjustments in the beginning and ending times of an employee's workday to meet the needs of that department. An employee may not forego the lunch period to shorten the workday or work week, or rearrange the lunch period without prior consent of the supervisor.

### **6.2 Tardiness and Absenteeism**

Employees are expected to be at their work station at the scheduled work time. Employees who expect to be late or absent from work are responsible for notifying their supervisor as soon as possible after the beginning of the shift, indicating when they will report back to work.

In chronic, excessive or unusual cases of absenteeism, the University reserves the right to require documentation/verification of the reasons for absence. Habitual tardiness or excessive absenteeism is reflected in the employee performance evaluation and may lead to dismissal. Employees who have failed to report to work for three consecutive workdays without notifying their supervisor will be considered to have voluntarily resigned from their position.

Any employee who fails to comply with this rule will be subject to disciplinary action.

### **6.3 Time Sheet and Overtime Pay for Non-Exempt Employees**

The time sheet is a record of the time a non-exempt employee works each pay period. An employee's pay is based upon the time sheet. Employees shall visit the Human Resources Office to create an online account on University business portal. Employees should record their time worked each day and enter their time cards semi-monthly before the due dates stated in the pay schedule. The time sheet is checked by the supervisor to ensure that it is accurate. Employees are personally responsible for their time sheet and/or their time record. Falsification of a time sheet and/or time record is cause for

disciplinary action. Time cards entered into the system after due dates are not processed until the next pay cycle.

Should non-exempt employees work more than 40 hours during the established work week, they are paid overtime or recorded as working an equivalent number of hours at the rate of one and one-half hours for each hour worked. Overtime hours worked and compensated with compensatory time off at a time mutually agreeable between employees and their supervisor must be approved in advance by the employee's supervisor except in cases of emergency.

## **7 LEAVES OF ABSENCE**

All employees are required to submit a "Leave Request Form"(form 6200-08) to the supervisor for approval. In case of an illness or an emergency when conditions do not permit a request in advance, the employee is required to notify the supervisor as far in advance as possible. If the employee couldn't submit the form prior to the leave due to illness or emergency, s/he needs to fill out Leave Request Form after returning to work. Vacation leave and holiday leave do not apply to faculty and instructors.

### **7.1 Vacation Leave**

Request for vacation leave can be made 180 days after the first day of employment. All employees are required to submit a "Leave Request Form" (form 6200-08) to the supervisor at least two months prior to the first day of leave. Full-time employees accrue paid vacations according to the following schedule:

- 0-5 years.....10 hours (1.25 days) per month .....120 hours (15 days) per year
- 6-20 years..... 12 hours (1.5 days) per month .....144 hours (18 days) per year
- 20+ years.....14 hours (1.75 days) per month .....168 hours (21 days) per year

Any vacation not used by the end of the fiscal year can be used within the first three months of the new fiscal year but is not carried forward and the employee begins the new accrual period. If requested by the employer, any unused accrued vacation time, supported with ongoing documentation of attendance, will be paid to the employee based on the employee's current salary or hourly wage. Full-time employees working less than 100% but at least 75% of full-time will earn a proportionate amount at the appropriate accrual rate. Part time and temporary employees do not earn paid vacations.

An employee may "borrow" vacation up to the unearned portion for the leave year. For example, Tom would like to take 120 hours of vacation beginning October 1<sup>st</sup>. He worked at NAU for 4.5 years and so is eligible for 120 hours of vacation during the leave year. Although he has only earned 30 hours of his vacation time for service between July 1<sup>st</sup> and September 30<sup>th</sup>, Tom is able to borrow the rest of the time needed for his October vacation from time he will earn the remainder of the leave year. This is what is meant by "borrowing" vacation time. If Tom's employment ends before he earns the 120 hours of vacation spent in October, then the value of the time not earned will be subtracted from his final paycheck. In such a case, the employee will also be required to pay the unearned portion of the insurance premiums paid by NAU during the leave.

An Employee does not earn vacation time during leave of absence without pay, suspension, layoff or removal from the payroll for any reason.

Requests for vacation must be made to the supervisor by completing a Leave Request Form (form 6200-08) and the supervisor must approve any vacation schedule. Due to various departmental work load requirements, supervisors reserve the right to disallow vacation leave at certain times during the year. Supervisors will make every effort to minimize these restrictions and will only do so if it is determined to be in the best interest of NAU.

### **7.1.1 Voluntary Separation from Employment**

Generally, NAU does not pay accrued vacation leave to employees who leave employment voluntarily. Any unused paid vacation leave is forfeited upon an employee's work separation. However, unused vacation leave may be paid out under the following circumstances:

1. If an employee is involuntarily separated from employment for economic reasons as part of a company reorganization or a reduction in the workforce, the employee will receive the full balance of accrued, but unused vacation leave.
2. If an employee retires from employment pursuant to the Company's retirement policy, the employee will receive the full balance of accrued, but unused vacation leave.

## **7.2 Holiday Leave**

North American University observes certain holidays to be announced by the President of the University. Typical holidays are Independence Day, Labor Day, Thanksgiving, Christmas Day, New Year's Day, Memorial Day and additional days as designated by the President of the University. Full-time employees are granted paid holiday leave.

Immediately before and after a holiday period, employees have to be actively at work and cannot take *vacation leave* and *unpaid leave* to receive holiday pay. If a paid holiday falls during employees paid sick leave, the holiday is not counted as sick leave taken, (i.e., they receive holiday pay instead of sick leave pay).

Non-exempt employees scheduled to work on a paid holiday will be paid at their regular rate for hours worked and will also receive regular pay for the holiday.

Exempt employees scheduled to work on a paid holiday will receive one day of paid vacation for each day worked and also regular pay for the holiday.

## **7.3 Personal Leave**

Regular full-time employees are eligible for 24 hours (3 days) of personal leave per year. Medical and dental appointments, short term care of ill family members that needs to be provided by the employee only, inclement weather conditions and other short term absences of a personal nature can be considered as personal leave. Personal leave is not a vacation leave; therefore, it is not intended to supplement vacation leave periods. Immediately before and after a holiday period, employees have to be actively at work and cannot take personal leave unless it is approved by the supervisor. Supervisor approval is required for all personal leave hours to be used. Events that could have been scheduled during non-working hours will be charged to vacation leave.

Unused personal leave days are not carried forward. For new hires the time is prorated the first year. Regular full-time employees working less than 40 hours per week receive personal leave on a proportional basis.

## **7.4 Sick Leave**

Regular full-time employees are eligible for 40 hours (5 days) of sick leave per year. Sick leaves can be used for medical, dental, surgical, optical examinations or treatments, illness, injury or a health related issue that makes an employee unable to work. If requested, the employee is responsible to provide the supervisor with a doctor's report.

Sick leave will not be earned by an employee during leave of absence without pay, unpaid maternity leave, suspension, layoff, or removal from the payroll for any reason. Sick leave will not be paid on any illness or injury incurred while committing a crime, nor will it be paid on any illness or injury resulting from paid employment elsewhere.

Sick leave is accrued monthly and accumulates during the year. Up to 40 hours (5 days) of unused sick leave may be carried over from the prior year. Wages do not accrue for unused sick leave and are not payable to an employee upon termination of employment.

Any employee who is absent in excess of accrued sick days due to an illness or injury will be placed on medical leave of absence. The length of this leave will be paid in accordance with the employee's combined accumulated sick leave, vacation leave (unused and pro-rated), and personal leave. When the accumulated leave time has been exhausted, the employee will be placed on Unpaid Medical Leave under the Family and Medical Leave Act of 1993.

Absence due to the illness of an employee's immediate family may be counted as sick leave. Immediate family, for this policy, is defined as a spouse, a parent and a child or stepchild of the employee. Also included are foster children and legal wards, but no in-laws.

Employees working less than 40 hours per week receive sick leave on a proportional basis.

## **7.5 Bereavement**

Employees with more than 3 months' service may take up to 3 days of paid bereavement leave upon the death of a member of their immediate family. "Immediate family members" are defined as an employee's spouse, domestic partner, parents, stepparents, siblings, children, stepchildren, grandparent, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, or grandchild. All regular, full-time employees may take up to one (1) day off with pay to attend the funeral of an extended family member (aunts, uncles, and cousins).

The university may require verification of the need for the leave. The employee's supervisor and Human Resources will consider this time off on a case-by-case basis.

Payment for bereavement leave is computed at the regular hourly rate to a maximum of 8 hours for 1 day. Time off granted in accordance with this policy shall not be credited as time worked for the purpose of computing overtime.

## **7.6 Jury Duty/Court Appearance**

The university supports employees in their civic duty to serve on a jury. Employees must present any summons to jury duty to their supervisor as soon as possible after receiving the notice to allow advance planning for an employee's absence.

If an employee is released from jury duty after 4 hours or less of service, he or she must report to work for the remainder of that work day.

Time for appearance in court for personal business will be the individual employee's responsibility. Normally, personal days or vacation days will be used for this purpose.

## **7.7 Leave without Pay**

Leave without pay is a temporary non-pay status and absence from duty that is granted upon an employee's request. All employees are required to submit a request to the supervisor at least three months prior to the first day of leave. Leave without pay cannot be approved for more than six months at a time, and it may be refused if it is determined unreasonable or not in the best interest of the department or the University. Leave without pay can be canceled by the University upon five work days written notice. Likewise, the employee may return to work before the end of the leave with written approval of the supervisor. NAU is not obligated to reemploy the employee at the conclusion of such leave. An employee is considered to have voluntarily resigned, when, at least two weeks prior to the completion of an approved leave of absence, the employee fails to notify the supervisor of the intent to return to work. NAU does not pay the insurance premium of the employee during a leave without pay. It is the responsibility of the employee to contact and consult with the Human Resources Office to make arrangements for payment of insurance premiums through COBRA while on leave. Failure to pay premiums on a timely basis results in cancellation of coverage.

## **7.8 Family and Medical Leave**

According to the Family and Medical Leave Act of 1993 (FMLA), eligible employees are entitled to take unpaid leave for specified family and medical reasons. Eligible employees are entitled to twelve weeks of leave in a year for:

- Birth and care of the employee's child, within one year of birth
- Employee's placement with a child for adoption or foster care, within one year of the placement
- Care of an immediate family member (spouse, child, parent) who has a serious health condition
- For the employee's own serious health condition that makes the employee unable to perform the essential functions of his or her job
- Any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is on active duty or has been notified of an impending call or order to active duty in the U.S. National Guard or Reserves in support of a contingency operation

Eligible employees are entitled to twenty-six weeks of leave in a year for:

- Care for a covered service member with a serious injury or illness if the employee is the spouse, son, daughter, parent, or next of kin of the service member.

Service member:

(A) A member of the armed forces (including a member of the National Guard or Reserves) who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list for a serious injury of illness; or

(B) A veteran who is undergoing medical treatment, recuperation or therapy for a serious injury or illness and who was a member of the armed forces (including a member of the National Guard or Reserves) at any time during the period of 5 years preceding the date on which the veteran undergoes that medical treatment, recuperation or therapy.

During a family or medical leave provided under this policy, an employee shall first exhaust all available vacation, personal paid leave or paid sick leave before continuing such leave on an unpaid basis.

During the employee's family or medical leave of absence, NAU will continue to provide health insurance coverage for the employee; however, the employee will remain personally responsible for paying the employee's portion of the insurance premiums. An employee who does not return will be required to pay all insurance premiums paid by NAU during the leave.

**Please note:** There are many requirements, qualifications, and exceptions under these laws, and each employee's situation is different. Contact the Human Resources Office to discuss options for leave.

### **7.8.1 Return to Work Policy**

When such work is available, the university will attempt to provide an employee with a temporary modified or light-duty assignment in accordance with documented medical restrictions.

### **Job Protection**

An employee's job, or an equivalent job, is protected while the employee is on leave. Both federal and applicable state laws require that employees be returned to their positions or to another job of like pay and status at the end of FMLA leave.

Note: If an employee is unable to return to work after the expiration of federal or state FMLA, an extension may be granted if the condition constitutes a disability under the Americans with Disabilities Act (ADA) or in certain workers' compensation cases.

### **7.8.2 Notification and Request for FMLA Leave**

An employee must contact the Human Resources Office at least 30 days in advance of the start of a planned FMLA Leave or within five days following the start of an unplanned FMLA Leave. The Human Resources Office may require medical or other documentation at any point during the FMLA Leave. Employees requesting a leave under FMLA should first fill out the Family and Medical Leave Act(FMLA) Request and Notice (form 6200-13) followed by the Employee Rights and Responsibilities under the Family Medical Leave Act(FMLA) Acknowledgment Form (form 6200-10). Signed forms should be submitted to the Human Resources Office.

### **7.8.3 Returning from FMLA Leave**

At the expiration of an FMLA Leave, employees return to the same or equivalent position held when the leave began. Employees on leave for a personal health condition must submit medical certification of ability to return to work to Human Resources. An employee may not return to work without appropriate medical documentation.

If the leave of absence extends longer than the approved period, the employee must request an extension prior to the expiration of the FMLA Leave. If an extension is needed, it is expected that the employee will request the extension at least two weeks prior to the expiration of the leave. Human Resources will advise the employee's department of the status of the leave. If the employee does not return from leave of absence and does not request and receive an extension, the employee's employment will be subject to termination.

#### **Leave Designation.**

If an employee does not expressly request FMLA leave, the university reserves the right to designate a qualifying absence as FMLA leave and will give notice of the FMLA designation to the employee. If an absence is a qualifying event under FMLA, the leave will run concurrent with short-term disability, long-term disability and/or any other leave where permitted by state and federal law.

### **7.9 Unexcused Leave**

An unexcused leave is defined as any time the employee has not given proper notice and received approval from the supervisor. Employees are not paid during unexcused leaves. Excessive unexcused leaves result in termination of the employment. An employee will be considered to have voluntarily resigned without proper notice when the employee fails to report to work for three consecutive scheduled work days.

### **7.10 Weather and Emergency Closing**

In the event of a weather or emergency that results in the official closing of the University by the President, all employees will be granted a paid leave for the duration of the closing. In addition, non-exempt employees who are required to work will be paid one-half for each hour of work and exempt employees who are required to work will receive one day of vacation for each day of work. If the University remains open during a weather emergency or any other kind of emergency, even though classes are dismissed, all employees will be expected to report to work and remain on the premises, unless excused by the President. Employees who are not able to report to work will be required to take vacation leave, personal leave or leave without pay.

### 7.10.1 Inclement Weather

**Inclement weather and Leave Options:** Inclement weather can cause transportation problems or hazardous conditions that may inhibit your ability to come to the NAU Campus. Personal safety is an important consideration when evaluating the ability to commute to work during severe weather.

**Leave Use and Compensation:** If weather conditions prevent an employee from working as scheduled, leave taken due to inclement weather is charged to vacation leave, personal leave or leave without pay according to the employee status. The following table summarizes leave use for eligible employees who miss work because of inclement weather:

Employment Category	Partial and full day absences due to inclement weather are charged to:
Non-Exempt /Exempt Professional Staff *	Vacation leave, Personal Leave, or Leave without pay
Faculty, Adjunct Faculty and part-time employees	N/A

\*Supervisors are responsible for ensuring that all work obligations are met. Full day absences due to inclement weather may be charged to leave, or the individual's work schedule may be flexed with the supervisor's concurrence. At the supervisor's discretion, leave does not have to be charged for approved partial day absences.

**Other Work Options:** Supervisors can approve requests for employees to temporarily work from home, if doing so allows completion of work assignments. If you are unable to come to work, notify your supervisor. When you return to work, complete form 6200-08(leave request form).

This is a voluntary benefit and is funded solely by the employee.

### **9.1 Americans with Disabilities Act (ADA)**

North American University complies with the Americans with Disabilities Act of 1990 (ADA) and the Rehabilitation Act of 1973 to ensure equal employment opportunity to its faculty and staff with disabilities. As such, the University will not discriminate against a qualified individual with a disability. Any grievance or complaint in this regard shall be made in written form to the Director of Business Affairs.

The ADA defines a qualified individual with a disability as a person who “satisfies the requisite skill, experience, education and other job-related requirements of the employment position such individual holds or desires and who, with or without reasonable accommodation, can perform the essential functions of such position.” The term “reasonable accommodation” means a modification or adjustment to the job, the work environment, or the way things usually are done that enables a qualified individual with a disability to enjoy an equal employment opportunity. Essential functions are, by definition, those that the individual who holds the job would have to perform, with or without reasonable accommodation, in order to be considered qualified for the position.

It is the policy of North American University to extend reasonable accommodation to the known limitations of qualified persons with disabilities who are employees or applicants for employment; in order that these individuals may perform the essential functions of a position and/or participate in the employment application process. In general, it is the responsibility of applicants or employees with a disability to inform the employer that an accommodation is needed in order for them to participate in the application process, to perform the essential job functions or to receive benefits and privileges of employment.

All requests for accommodations will be evaluated on an individual basis to determine the appropriateness of the request. Moreover, employment opportunities shall not be denied because of the need to make reasonable accommodations to an individual’s disability. To request a reasonable accommodation, applicants or employees should contact the supervisor and make a request for accommodation. At that time, it will be necessary to complete the “Reasonable Accommodation Based on Disability Request Form”.

Requests for accommodations should be made well in advance of the anticipated need in order to allow for a reasonable period of time to evaluate those needs and requests by filling in the Accommodation Request (form 6200-05) and turning it into the Human Resources Office.

# **10 CONDUCT**

## **10.1 Dress Code**

North American University is a “business casual” dress environment. Employees are expected to wear clothing appropriate to their job. Generally speaking, employees’ clothing should not be excessively form-fitting or excessively loose. Clothing that reveals a person’s chest, cleavage, upper or lower back, abdomen, bare shoulders, thighs, or undergarments is never appropriate for this workplace. Well-groomed, appropriately dressed employees impress students and all stakeholders favorably and reflect positively on both University and the services it provides. Accordingly, during business hours or when representing the University, you are expected to present a clean, neat and professional appearance.

Shorts, tank tops, athletic/exercise wear and flip-flops are not permitted. Clothing that is ripped, frayed or disheveled, tight, revealing, stained, wrinkled, or otherwise inappropriate is not permitted.

Employees are required to have a neat and clean appearance; hair should be clean and neatly arranged. Facial jewelry (nose, brow, etc.) is not permitted at work. Tattoos are acceptable under this Policy; management reserves the right to determine if tattoos are appropriate for the workplace or if they must be covered. Hygiene should be sufficient to avoid unpleasant body odor or excessive use of fragrances. Management may from time to time, make changes to this Policy according to business circumstances, temporary situations and other reasons as they deem necessary and appropriate. Such changes will be communicated in writing and in advance to all employees.

Your direct supervisor is responsible for establishing a reasonable dress code appropriate to the job you perform. If he/she feels that your personal appearance is inappropriate, you may be asked to clock out (if applicable) and to return to the workplace only after you are properly dressed and/or groomed. To clarify any of the above expectations and/or if, for some reason, you feel you cannot meet University's dress code, please consult with your supervisor, the Human Resources Office, or any other member of University management regarding your individual circumstances.

## **10.2 Grievance Policy**

A grievance is defined as an unresolved issue concerning the implementation of University policy, procedure, or practice. The attempt to resolve a grievance should normally follow a two stage process; an informal stage first and then, if necessary, a formal stage.

### **Step 1: Informal Resolution**

In many cases, disputes over the implementation or interpretation of a policy can be resolved through communications within a particular department or unit. As such, the first step in the grievance process is to seek an informal resolution. The employee shall attempt to resolve the issue informally within ten (10) business days of the incident's occurrence. The employee may initiate this step in one of two ways:

- a) *Speak with his or her supervisor*: The employee should promptly bring the matter to the attention of the immediate supervisor, explaining the nature of the problem and the relief sought. The supervisor should provide a response within ten (10) business days.
- b) *Speak with the Human Resources Office*: If an employee cannot decide whether or not to initiate a grievance or is reluctant to discuss the matter with his or her supervisor, he or she may seek the advice of the Human Resources Office who may seek to resolve the issue. The Human Resources Office should provide a response to the employee within ten (10) business days.

### **Step 2: Formal Grievance**

If the matter is not resolved at Step I, the employee may proceed to Step II by submitting a written grievance statement to his or her supervisor or the Human Resources Office no later than five (5) business days after the receipt of the response in Step I. This statement should outline the relevant facts that form the basis of the employee's grievance, indicating the University policy, procedure, or practice that has allegedly been violated, and stating the resolution sought. The statement should also identify the discussions and response in Step I.

The grievance statement is then forwarded to the President, who appoints a grievance committee no later than five (5) business days after receiving the request. The committee shall be composed of three to five employees. No one with a personal or professional interest in the outcome of the grievance is qualified to serve on the committee. The committee members shall select a chair among themselves.

The committee will meet with the grieving employee, the immediate supervisor, and any other person deemed by the committee to have relevant information about the subject of the reported grievance. All information received and evaluated by the committee is strictly confidential, with the exception of circumstances in which another person or persons outside the committee has a legitimate interest.

The chairperson of the committee will notify the grieving employee in writing of the committee's final decision within twenty (20) business days after being appointed for the committee.

### **Appeal**

Should the grieving employee find the committee's decision unsatisfactory, he or she has the right to appeal to the President. Within ten (10) business days, the President, or his or her designee will notify the final outcome of the grievance. Such a decision will be final and bind all concerned persons and parties.

### **Confidential Reporting**

It is the responsibility of North American University (NAU) to conduct business within the University policies and procedures. Employees should report any misconduct as soon as possible without fear of retaliation.

The types of misconduct include, but are not limited to the following:

- Any activity that does not conform to professional and ethical conduct published in the University's official documents such as the employee handbook
- Financial crimes such as fraud, bribery, theft, and etc.
- Criminal offenses which threaten the performance or well-being of any entity related to NAU or its business-related affiliates

Employee may report such incidents through a confidential reporting system, My Safe Campus.

Reports may be submitted anonymously via the website [www.mysafecampus.com](http://www.mysafecampus.com) or by calling at 1-800-716-9007. The confidential report will be treated as a formal grievance request and be forwarded to the President, and the procedures explained in Step II will be followed.

Employees may take the grievance directly to a higher authority such as Board of Trustees of NAU, Accrediting Council for Independent Colleges and Schools (ACICS) or Texas Higher Education Coordinating Board (THECB). The contact information for the Board of Trustees can be obtained from NAU website. THECB can be contacted through its website (<http://www.thecb.state.tx.us>). Contact information for ACICS is:

### **10.3 Sexual Harassment**

Sexual harassment is an abusive use of authority that emphasizes a person's sexuality or sexual identity. Unwelcome sexual advances, requests for sexual favors and other verbal, visual or physical conduct is considered sexual harassment when:

- Submission to, or rejection of, such conduct is used as a means to affect one's condition or decision for education, employment, or participation in any course, program or other University activity
- Submission to such conduct has the purpose of interfering with a person's academic or professional performance or creating what a reasonable person would sense as an intimidating, hostile or offensive employment, educational, or living environment.

Sexual harassment is a form of sex discrimination and illegal under the law Title VII of the Civil Rights Act of 1964, 42 U.S.C. Sec. 2000e, and Title IX of the Educational Amendments of 1972, 20 U.S.C. Sec. 1681 and is prohibited at the University.

North American University is dedicated to maintaining an environment free of sexual harassment, and takes vigorous preventive and corrective action in cases of sexual harassment. Employees shall behave in such a manner that their behavior cannot be perceived as sexually coercive, exploitive or abusive.

Employees who feel aggrieved because of conduct that may constitute sexual harassment should inform the individual(s) engaging in such conduct that such conduct is offensive and must stop. If such conduct does not stop, employees who believe that they are being sexually harassed should immediately inform the supervisor verbally or in writing. The case can be resolved formally or informally at the option of the complainant.

The complainant must submit a written complaint for investigation. After investigation, the supervisor may convene a committee in a formal setting to review written charges, hear evidence and testimony, and make a determination on the evidence as to whether harassment did occur. The committee shall be made up of three individuals not involved in the incident: the Director of Business Affairs, the supervisor and one staff or faculty member. If the findings are affirmative, the University may take corrective action, including the separation of the offending party from the University, consistent with the University procedures for termination of employment.

The University ensures that a person who in good faith brings forth a complaint of sexual harassment will not be subjected to retaliation. The University also ensures that a person against whom such a complaint is brought is treated fairly and has adequate opportunity to respond to such allegations, and that findings, if any, are supported by clear and persuasive evidence.

All employees must read the "North American University Sexual Harassment Policy" and sign and return the acknowledgement form to the Human Resources Office.

### **10.4 Confidential Reporting Protocol**

It is the policy of the North American University to prevent illegal, unethical and unprofessional conduct that deviate from law or from the guidelines published in official institutional documents. Any employee who is asked to participate in such activity, or is a witness to, or comes in contact with information related to an actual or attempted case of such activity should report this information as

soon as possible without fear of reprisal and in full confidentiality within the boundaries of state and federal law.

The types of misconduct include, but are not limited to the following:

- Any activity that does not conform to the policy on professional and ethical conduct published in the Institute's official documents such as the employee handbook.
- Fraud or other types of financial misconduct.
- Criminal offenses

The University implements an anonymous reporting solution. Employees who witness such misconduct or come in contact with related information should go to the website [www.mysafecampus.com](http://www.mysafecampus.com) and submit a confidential report or call at 1-800-716-9007. All inquiries must be in English.

The administrator who receives a confidential report will call the grievance committee to investigate the matter. After the investigation, the committee will deliberate the case and make a recommendation to the administration for the course of action.

## **10.5 Conflicts of Interest**

Personal matters and financial links may interfere with employee responsibilities, and as such may be a conflict of interest. Personal integrity and responsibility of the employee play a key role in preventing conflicts of interest. Employees should be responsible for their conduct outside work and professional activities.

The University has a no solicitation policy and does not allow any sales or distribution of merchandise or services on campus by employees.

## **10.6 Smoking**

North American University is a smoke free campus. Smoking or use of other tobacco products (chewing tobacco, snuff, electronic cigarettes, etc.) is not tolerated in any campus building. In light of the clear health hazards associated with smoking and as an institution committed to promoting the best possible health care for all, the North American University has adopted the following University-wide smoke-free policy:

- All buildings and vehicles, regardless of location, that are owned or leased by the North American University will be entirely smoke free. This policy applies to all campus facilities except for designated outdoor smoking areas.
- It will be the obligation of the University administrator responsible for programs taking place within these areas to ensure that the smoke-free policy is observed.
- Individuals who wish to smoke out of doors must do so in outdoor designated areas, away from pedestrian traffic and building air supply.

The University assists faculty, staff, and students who wish to stop smoking and periodically offers smoking-cessation workshops. Supervisors are encouraged to allow their smoking staff to attend.

# **11 DISCIPLINARY ACTION**

## **11.1 Disciplinary Violations**

Disciplinary action, which may lead to termination, by department supervisors may be necessary because of:

- inefficiency
- inattention to duty
- unexcused absence
- excessive absenteeism or tardiness
- unexcused absence of three or more days
- lack of integrity
- violation of a safety rule or practice
- violation of law or University regulations
- insubordination
- disloyalty
- unauthorized use or duplication of a University key
- falsifying employment application, time records or leave records
- assault or battery of a person on University property or at a University-sponsored event
- theft of University property
- immoral conduct or indecency on University property or at a University sponsored event
- use of intoxicants during working hours or on campus at any time
- reporting to work under the influence of alcohol or drugs, and
- other conducts inappropriate for an employee of the University

Insubordination is the refusal of an order from supervisory or managerial personnel or the use of obscene or otherwise objectionable language to such personnel in a threatening manner.

## **11.2 Positive Discipline**

Disciplinary action is considered a dimension of the performance evaluation. It is a corrective process to help an employee overcome work-related shortcomings, strengthen work performance and achieve success. When problems occur, they should be handled in a manner which jointly supports the concept of positive discipline and minimizes the interruption of University services. Employee discipline may be needed and, as corrective procedure, is an integral part of NAU employment policy.

When discipline is necessary, the positive guidelines below should be used to promote fairness and consistency throughout the University. The guidelines are not expected to be rigidly applied, but will be suitable for most University discipline situations. Depending upon the circumstances in individual cases, repeating a step, skipping a step or moving to immediate discharge may be appropriate. All disciplinary actions must be coordinated with the Human Resources Office.

## **11.3 Verbal Warning**

A verbal warning is the first step in discipline procedure. The supervisor may record and maintain on file the date of the discussion and a brief summary of the items discussed, including witnesses if appropriate. If the problem persists a written warning is appropriate.

## **11.4 Written Warning**

Should the verbal warning fail to effect improvement in employee performance, a “Counseling Report” will be sent to the employee, and copies will be sent to the appropriate administrator and the Human Resources Office. The supervisor initiating the written warning should obtain an acknowledgement from the Human Resources Office before issuing the warning to the employee. If the offense is of a serious nature a written warning might be an appropriate first step. The report should contain a description of the problem, an explanation of the deficiency, a solution to correct the problem, a definition of the time frame within correction is expected and an evaluation of the employee’s response. If the employee refuses to sign the report, this fact should be duly noted on the report, along with the signature of a witness to attest that the employee refused to sign.

If an employee receives two written warnings the employee should be considered for termination. However, if an employee does not receive a counseling report for at least 12 months, the warning should be considered inactive. Inactive warnings will not be considered in determining employee promotion or transfer.

When job performance does not improve as a result of the above procedures, the supervisor may be required to recommend either discharge of employment or request administrative assistance to arrange a transfer of a specific individual to another unit. Usually, a supervisor should allow ten working days to gauge job performance before progressing to the next step.

## **12 TERMINATION OF EMPLOYMENT**

A “Termination of Employment Form” (form 6200-18) must be completed by the employee before the final paycheck will be issued.

### **12.1 Resignation**

Employees should submit resignations to the university in writing. Administrators should provide one month notice and all others ten workdays.

### **12.2 Reduction In Force**

Conditions may arise which necessitate a reduction in force due to reorganization, lack of work, and/or lack of funding. These situations are discussed between management of the unit and the Human Resources Office and then are communicated to affected staff members by their department.

### **12.3 Discharge**

When positive steps have been used but performance has not changed, or when an employee has committed a major offense, discharge of that employee is the next step for consideration.

### **12.4 Termination Procedure**

Recommendation for discharge should be documented in writing and a copy of the documentation sent to the Human Resources Office after approval through the normal administrative channel.

Documentation should include the employee's name, date of the incident, and explanation of the circumstances resulting in the recommendation for discharge and reference all previous disciplinary steps taken.

Upon receipt of a recommendation for discharge or request for employee reassignment, the Human Resources Office will collect and assemble a complete record for administrative review. If the discharge is approved, the following steps will be initiated.

The Human Resources Office will send copies to the employee and the supervisor. The recommendation must state the reason for the discharge and the recommended date of discharge.

The Human Resources Office will establish the date for removal of the employee from the payroll, and execute a "Termination of Employment Form" (form 6200-18) to be sent to the supervisor for signature and submission through assigned channels to the President. Discharge will be considered final only when the "Termination of Employment Form" (form 6200-18) is signed by the President or President's designee.

## **12.5 Post Resignation/Termination Procedures**

### **Benefits (COBRA)**

When a staff member's NAU benefit coverage has terminated, the staff member will be entitled to continue certain university benefits under the Consolidated Omnibus Budget Reconciliation Act (COBRA).

#### **COBRA Continuation of Benefits**

Under COBRA terminating staff members are entitled to continue health, dental, vision participation provided the former staff member remits premiums on a timely basis. Staff members and their dependents may be allowed to continue individual or family coverage for a specific period of time. For information on eligibility requirements and terms for continuation of coverage under COBRA, visit <https://www.dol.gov/ebsa/cobra.html>

The President shall review the information provided, including the recommendation of the appeals committee, and may accept, deny or modify the recommendation. The President shall notify the appellant and the Human Resources Office within five workdays. The President's decision is final.
- f. During the appeal process, the employee shall not report to work, and will become ineligible for employment benefits. In the event that discharge is overturned, the employee shall be compensated for the period of the appeal process.
