Welcome Letter

Dear Student:

I am excited to welcome you to Gulf Language School’s Intensive English Program at North American University for the 2015-2016 academic year. You are part of an exceptionally talented student body that is known far beyond the campus for its, energy and creativity; and I am proud that you chose North American University.

This Student Handbook will acquaint all students – new and returning – about many aspects of North American University. In these pages, you will see descriptions of the services and activities available to students, as well as our rules governing academic life and our Code of Student Conduct. As a member of the North American University community, you share a personal responsibility to model respectful behavior of others at all times, so I ask that you review these rules and the code and abide by them.

I hope to have an opportunity to talk with you sometime during the year. My schedule often finds me at open meetings and public events, and I can also be found walking around campus to events and meetings. If you see me, please say hello and let me know how you are doing.

Thank you for choosing North American University. I hope your year ahead is both challenging and successful.

Welcome to a new academic year!

Sincerely,

Margaret Combs
Director

All new students are given pre-entry placement tests when they arrive so we can place them into the most appropriate level.

**Placement Tests**
Students will be placed into the most appropriate level based on their test scores. All students will sit for an in-class diagnostic test in the first two days of class. If that test indicates that they can do well at the next level, they may move up.

**Retesting the Placement Tests**
Retesting is appropriate when there is reason to believe that a score obtained from previous testing does not accurately reflect the examinee’s true level of knowledge or skill. Typically, retesting is appropriate in two situations: (1) when factors other than the examinee's ability are believed to have influenced the previous testing and (2) when the scores obtained from earlier testing are no longer believed to reflect the student's current ability.

**Classroom Information**
In Fall 1-2 and Spring 1-2, IEP classes total 20 hours per week. Summer IEP classes will meet 28 hours per week. IEP classes are from 9:00 a.m. and 2:30 p.m.

The IEP has two courses:
1. Reading and Writing 10 hours per week.
2. Listening and Speaking 10 hours per week.

**Class Schedule**
1. Gulf Language School’s Intensive English Program classes meet four hours per day, Monday- Friday.

Classes start at the scheduled time- Be on time!

The IEP forms its classes very carefully, with 2 main guidelines in mind:

1. We want to have as many different language groups as possible in each class.
   Result: Students work with others, in English, who do not speak their native language. We expect only English to be spoken in the classrooms, especially after level one.
   Result: Having as many different languages represented in one classroom really helps with this goal of "English only."
2. We want a balance of male/female students, as much as possible.

NOTE: We do NOT form classes by students requesting a teacher that they like or because their friends are in a certain class but by the above 2 guidelines.

FOR THESE REASONS, PLEASE DO NOT GO TO THE DIRECTOR TO ASK FOR A CERTAIN TEACHER FOR A CERTAIN CLASS.

Use of English
English is the language of instruction for the Gulf Language School. It is the GLS’s policy that instructors speak ONLY English to their students, even if they have the ability to speak a student’s native language. Students are also expected to use English only in the classrooms, hallways, and at all GLS functions. Students are made aware of this policy during orientation and should be reminded as the need arises.

While it is sometimes tempting for an instructor to try out his/her language skills or resort to translation when a breakdown in communication occurs, there are a number of reasons why speaking a language other than English is against GLS policy. First, and perhaps most importantly, the students are here to learn English, and providing translation slows down that process. Second, there is the question of bias. It is not likely that an instructor will speak the native language of every student in the classroom; therefore conversing with one student or group of students in their native language excludes others in the classroom who do not speak that language. Finally, speaking to students in a language other than English demonstrates an interest in that student’s culture and background at the exclusion of other students in the room (even if there is only one student who does not understand the language). Therefore, instructors in the GLS will refrain from speaking any language other than English even at a student’s request.

Transfer and Withdrawal Policy

Transfer Students (to GLS)
To transfer to the Gulf Language School at North American University, you must first apply for admission to the Gulf Language School. Once accepted, notify your current school’s international office of your intention to transfer. You will need to provide them with a copy of your acceptance letter as well as a signed copy of North American University’s foreign student advisor transfer report. Your adviser will then transfer your SEVIS record to NAU. Only your current school has access to your SEVIS record; therefore, the Gulf Language School cannot issue your GLS I-20 (F-1 status) or DS-2019 (J-1 status) until your SEVIS record is transferred. In most cases, the "transfer out" date will be the last day of your final term at your current school. Transfer students must see the International Admissions office in order to receive their new I-20.

Transfer Students (from GLS)
The school has the right to refuse the transfer of a GLS student to another institution if the student has not been enrolled for at least one complete eight (8) week session.

To transfer from the GLS to another school in the U.S., you must first apply and be accepted to the new school. After your acceptance:

1. Meet with the Director of the Gulf Language School on the 3rd Floor of the Student Center in Room 320 to request a Transfer Request Form.
2. Submit a completed Transfer Request Form along with a copy of the admission offer letter or email from your new school to the International Student Office (ISO) at NAU on the 2nd Floor of the Student Center.
in Room 202. Your new school will also give you a Foreign Student Advisor Report that you must sign before giving to the ISO. The “transfer out” date is the date that GLS loses access to your SEVIS record and your new school gains access to your SEVIS record. This date should be at the end of your final enrolled session at GLS.

3. Allow one week for processing. Please note that after the transfer out date the GLS will no longer have access to your SEVIS record, so request a transfer only after your plans are certain.

4. You will receive an email confirmation of your SEVIS release from your International Student Office. If you are registered for a future session at GLS, don't forget to withdraw and fulfill any financial obligations with the University before you transfer to your new school or leave the U.S.

5. Contact the new school’s International Admissions office to arrange when and how to receive your new I-20.

Withdrawal Policy

Overview

Withdrawing from Gulf Language School’s Intensive English Program means you do not intend to return to your studies at North American University in the future and you will be departing the US. You must carefully follow certain procedures to make sure that your academics and your immigration are safe and that you can return to GLS or the U.S., if you decide you want to come back in the future.

SEVIS Record

When you leave the Intensive English Program at Gulf Language School early, it is called “Early Withdrawal”; your I-20 will be “turned off” to keep your immigration safe. After your I-20 is “turned off”, you must leave the U.S. in 15 days.

You can use the same I-20 to come back to study at Gulf Language School if you come back before 5 months, but your I-20 must be “turned on” before you can travel. Please send an email to the International Student Office at dianeward@na.edu one month before you come back to the U.S. so your I-20 can be “turned on” for travel.

If you come back after 5 months, you must get a new I-20, pay the SEVIS fee, and get a new visa.

Note to J-1 students: If you want to withdraw from the IEP program, your DS-2019 will be completed. This means you cannot come back to study at Gulf Language School with the same DS-2019, you must get a new one and pay the SEVIS fee.

Withdrawal Procedures

If you are planning to withdraw from the Intensive English Program, the procedures are as follow:

1. Meet with the Director of the Gulf Language School on the 3rd Floor of the Student Center in Room 320 to request a Withdrawal Request Form.

2. Submit the completed and signed Withdrawal Request Form to the Director of the International Student Office on the 2nd Floor of the Student Center in Room 202. The ISO office will provide you with the options and consequences of withdrawing from the program.

3. If you leave the program before the end of a session, you must obtain a new I-20 from another school or depart from the U.S. within 15 days of this action. You do not qualify for a 60-day grace period. This grace period applies only to students who complete a session. If you fail to enter another institute or to depart from the U.S., you will be out-of-status, in other words, you will be in the U.S. illegally.

4. If you withdraw prior to the end of the session, you will not receive a final course grade.

5. You will be required to move out of the NAU housing within 7 days of withdrawal from the Intensive English Program. On the day you withdraw, you must make an appointment to meet with a member of the NAU housing staff to arrange a checkout of your room.

6. If, after withdrawing, you decide you would like to return to NAU for study, you will be considered a NEW student (not a returning student) and must take the Language Placement Exam to determine your placement.
STUDENT ORIENTATION
The Student Services Office in participation with the GLS Registrar’s Office organizes orientation sessions for all incoming students. This orientation program enables students to better understand GLS and NAU academic programs, registration, resources, student services, career and counseling services, financial aid, and other aspects of the NAU campus experience. The date, time, and place of the orientation are included in the admission package.

COMMUNICATION
The Gulf Language School at North American University regards a student’s university-assigned email account as an official method of communication for pre-university students, undergraduate students, graduate students, staff and faculty, unless otherwise prescribed by another policy. Official university communications include, but are not limited to, enrollment information, grade information, financial information and policy, and announcements, as well as individualized notices. This system affords an efficient method for official messages to be disseminated to both on-and off-campus students. It is the responsibility of each student to frequently access their NAU electronic mail account as it may contain an official communication from the university. All members of the university community must maintain good e-mail management habits and adhere to the standards of responsible use specified by NAU if the institution is to maintain a quality, collaborative computing environment.

ADVISING
Students should consult with their instructors for academic and personal advising. Faculty is available for advising every day after the 11:00-1:00 class ends.

Students may be referred to Student Services Office if the need for advising is outside the range of faculty expertise. The Student Services Office is also available for advisement on housing, meal plans, health insurance, counseling, tutoring, records requests and other personal or school related concerns that students may have. Students in need of immigration related advising should consult with the International Student Office.

BACTERIAL MENINGITIS POLICY
Effective May 2011, state law requires that all students under the age of 30 entering a public or private institution of higher education in the state of Texas are required to provide evidence of vaccination against bacterial meningitis or meet certain criteria for declining such a vaccination before completion of enrollment. Each enrolling student must provide evidence of vaccination against bacterial meningitis or a booster dose during the preceding five-year period, and at least 10 days prior to the first day of the first semester in which the student initially enrolls at an institution. Evidence of the student having received the vaccination from an appropriate health practitioner must be received by the Admissions Office. Details and exceptions of the policy can be found in the Bacterial Meningitis Vaccination Requirement document (http://www.na.edu/meningitis.html).
ATTENDANCE POLICY
The Intensive English Program wants all of its students to reach their goals. The best way to learn English is to come to class regularly and to do your homework.

Note: If you miss one day of classes, you will miss four hours of instruction.

The IEP expects students to attend ALL classes. There are NO EXCUSED ABSENCES.

If you need to be absent, be sure to tell your instructor in advance, if possible, and make up all missed work. You will still be counted absent. Instructors expect students who are absent to contact a classmate to find out the assignments they missed. Ask your instructor how to make up missed class work.

- Attendance reported from Week 1 to Week 8 - Your absences will be reported beginning Monday or alternate day if Monday is a holiday of the first week of classes and continue through the last day of the last week of classes.
- Late to class absences - You may be marked absent for one hour if you come to class late for 1-5 minutes. Ask your instructors about their policies for being late.
- Not prepared for class absences – You may be marked absent and asked to leave the class if you do not bring your books or homework to class. You can be put on probation and/or dropped from the IEP if you disturb the class or if you do things that are not acceptable in a classroom setting.
- Using your mobile phone in the class – You may be marked absent and asked to leave the class.
- Absent for ten consecutive days with no explanation – You will be automatically dropped from the IEP. You may lose your status with DHS.
- 10 hours of absence - You will receive a courtesy notification of your number of absences. You may be referred to the Director to discuss your absences.
- 20 hours of absence—You may be dropped from the program. Once you have missed 20 hours of class, you will be allowed to attend class but you will not be allowed to sit for the mid-term or final exam as you have earned an ‘F’.

*NOTE—Continuing I-20 students are counted absent from the first day of the next session whether or not the student formally registers into the next session by the first day of class. Registering late does not start the attendance count, the first day of each session does.

It is important for you to be in class every day to successfully complete each term of study at the IEP. If you have problems that are causing your absences, please make an appointment with the International Student Advisor.

Students holding an I-20 must pay particular attention to their attendance. It is required by law that I-20 students not attending classes as scheduled be reported to the appropriate United States Governmental Agencies.

Any student who is absent for three (3) consecutive school days without an approved leave of absence will automatically be reported to the International Student Office (ISO). An approved leave of absence requires documentation of the reason for absence and must be approved by the Director.

LEAVE OF ABSENCE
Students who take long-term absences from the program must retake the English Placement Test when they return. A long-term absence is considered to be an absence of six months or longer. If a student retakes the English Placement Test and places into a level that the student has already taken, then that student must repeat that level prior to being placed into an advanced level. Students can fill out an Appeals Request Form but it will not guarantee that the student will advance. No student will be placed into a level lower than the one they previously completed, regardless of the English Placement Test score.

EXAMS
There are two major reading and listening exams, one progress draft, one in-class essay, and two presentations every session. In the event of an unexcused absence or tardiness, students will not be allowed to make up any portion of an exam. Test dates are updated and outlined in each class syllabus.
Students may see their exam scores only by logging on to Moodle. A username and pass code for Moodle will be issued at the time student I.D.'s are issued. Students are not allowed to keep their exams, copy information, or take photos of exams; nor are exams to be taken home for any reason.

EXAM RESCHEDULING
Students are required to take exams on the dates/at the times which they have been scheduled. In the case of an emergency, students must notify the Director as soon as possible.

If a student needs to take an exam on a different date or time for any reason, the student is required to give notice to the Director at least two (2) weeks prior to the exam and provide any necessary documentation of the reason. The Director reserves the right to refuse the reason given and determine whether or not permission will be given.

APPEAL REQUESTS

Appeal request for change of level new students
A new students may request a “change of level” if they feel they have been “misplaced” by the placement exam results. New students are those who are enrolled in their first session in the Intensive English Program. However, please note our placement test is very reliable; most new students should not need to take the secondary diagnostic test.

To appeal a change of Level, first, after attending class for two days, if a student believes the level is not appropriate; he/she must complete a Change of Level for New Student Form and submit the completed form to the Director.

Students who complete the form will be allowed to take a diagnostic test on the second day of class at two P.M. The Director and Coordinators will evaluate the diagnostic test and the change of level appeal, to see which level is right for the student.

If approved to move up to the next level, the student would start the next level class on 3rd or 4th day of class. If not approved, the student must continue to attend the original scheduled classes.

This decision is FINAL and cannot be appealed.

No students will be permitted to change levels after the second week of classes.

Appeal request for change of level returning students
Once admitted, students must complete levels consecutively throughout the program. However, in the event that a student wishes to accelerate in the program and “skip” a level, he/she may file a Change of Level Request for Returning Students Form with the Director. Appeals requests for level acceleration must be submitted prior to the end of the eighth week of class (before the session ends).

In order for a student to qualify for consideration for level acceleration, he/she must meet the following criteria:

- passed the previous level,
- obtained a 93% or above as a total score for each skill (reading, writing, speaking and listening),
- a score in the level requested on the on Exit Exam, and
- are not already re-placed to a higher level by the re-placement test

Appeal request for course grades
With all grade appeals, the burden is on the student to show why the grade should be changed. A student has the right to appeal a final course grade that the student thinks is unfairly or incorrectly assigned. The student must first complete a Grade Appeal Form and present it to the faculty member who assigned the grade in to request a meeting to discuss the grade. This request must be made within the next session. The faculty member must meet with the student within five business days. After meeting with the faculty member, if the issue of the grade is not resolved, the student can meet with the Director. At that time, the Director will hold a conference with the faculty member to reach a conclusion. If the matter is not resolved satisfactorily, the student must refer to the Grievance Policy in the GLS Student Handbook.
GRADING POLICY
A student can repeat each level three times for academic or attendance reasons to achieve a passing grade. Students who fail to pass the same level after three sessions are not eligible to continue in the IEP, and their SEVIS record will be terminated.

PROOF OF COMPLETION
Students who successfully complete IENG 0006 (Level 6) will be awarded a document stating that they have completed the IEP program at NAU. Students may earn this proof of completion by successfully finishing IEP course and passing the college's English assessment test.

ACCUPLACER TEST
If a student places out of GLS on the ESL Accuplacer placement test, the student may take the Native English Accuplacer Test.

All students who want to enroll in NAU college courses are required to take the Accuplacer Test. The Accuplacer Test determines whether or not remedial class work is needed.

For more information about the Accuplacer Test, visit www.accuplacer.com.

HEALTH SERVICES
Health Insurance
International students must obtain the United Health Insurance Plan for NAU during their studies in GLS. The costs will be billed to the student’s tuition account. Exceptions may be made only if the student meets all of the student health insurance waiver criteria.

Waiver Criteria
The health insurance premium will be waived for students who provide documented evidence of health insurance coverage (compatible with NAU student health insurance), including evacuation and repatriation, by a United States employer, and for nonimmigrant students sponsored by the United States Government, a foreign government recognized by the United States, or certain international, government sponsored or non-governmental organizations and Fulbright Scholars. Students may submit waiver requests and appropriate documentation to North American College Student Services by the waiver deadline.
