2.3. History

North American University was owned and operated by the Texas Gulf Foundation (TGF), a non-profit educational organization founded on April 7, 2007, and located in Houston, Texas. The main purpose of the TGF was to establish superior higher education institutions. Toward this goal, the TGF Board of Trustees established the Texas Gulf Institute (TGI) which started operation in September 2007.

The Texas Gulf Institute submitted an application for a certificate of authority to offer Bachelor of Science degrees to the Texas Higher Education Coordinating Board (THECB) on January 20, 2009. The Texas Higher Education Coordinating Board unanimously approved that a Certificate of Authority be granted to TGI on October 29, 2009.

The TGI submitted an application for accreditation to the Accrediting Council for Independent Colleges and Schools (ACICS) on October 16, 2009. The ACICS council has awarded the TGI an initial grant of accreditation to offer certificate programs through December 31, 2013. On June 16, 2010, the TGI applied to the ACICS for inclusion of its bachelor’s degree programs in accreditation. The application was approved on July 2, 2010.

With the addition of Bachelor of Science degree programs, the Texas Gulf Institute evolved into North American College. The name change was approved by the ACICS on August 16, 2010, and by the THECB on September 10, 2010.

North American College applied to FAFSA to award Federal Financial Aid on September 24, 2010. The application was approved on January 30, 2011.

North American College was granted to offer M.Ed. in Educational Leadership by ACICS and THECB starting in Fall 2013. With the addition of Master degree program, the North American
College name change application to North American University was approved by the ACICS on August 29, 2013. North American University got an approval of three more master programs on June 18, 2015 namely; M.Ed. in Curriculum and Instruction, M.S. in Computer Science and Master of Business Administration starting in Fall 2015.

enrollment, the student must submit an official copy of the undergraduate transcripts showing the degree completion by either submitting an official sealed copy or requesting an official copy to be electronically sent from the previously attend college or university to NAU.

**3.4. Distance Education**
In addition to the regular requirements for undergraduate, graduate and international student admissions, applicants for distance education have unique requirements which must be met.

All distance education students at the master level must pass the Distance Education Proficiency Test prior to acceptance. Undergraduate students, who would like to enroll in a distance education course, must pass the Distance Education Proficiency Test prior to enrolling in the course. This test assesses whether the student has the necessary computer skills, such as using an internet browser, using search engines, using an e-mail software, creating and managing files/folders, Word processing, and basic hardware and software knowledge to succeed in NAU’s online environment.
Prior to enrollment, all students are required to read, thoroughly understand and sign the Enrollment Agreement which includes a section on online course requirements. This document informs the students regarding our minimum hardware and software requirements, necessary computer skills for online learning environment, such as being proficient with an internet browser and search engines, being able to install software, being able to send and receive e-mail, being able to create, save, and manage files, being proficient with Word processing, and being able to join a webinar meeting.

3.5. College Readiness

College readiness is the combination of knowledge and skills in English and mathematics necessary to qualify for and succeed in college-level, for-credit coursework without the need for remediation. North American University requires students that do not meet the minimum college-readiness standards, to take the Accuplacer assessment to determine non-exempt students’ current academic levels in mathematics, reading, and writing before course enrollment into NAU. Students who fail one or more sections of these exams will be required to take and successfully complete appropriate remedial courses in the subjects that they failed.

A student may be considered college ready and exempt from taking the Accuplacer based on the following criteria ("English" encompasses both Reading and Writing):

### 3.6. Transfer Credits

North American University allows for transfer of credits from other higher-learning education institutions as well as credits earned by examination. NAU does not accept life experience nor vocational school work for transfer credits. The transferable courses for which transfer credits are awarded will be determined by NAU Academic Department Chairs. The student can appeal the determination of the department chair by submitting an appeal form to the Vice President for Academic Affairs who will make the final decision on the matter. Transfer credits are counted in the calculation of credit hours attempted and credit hours earned toward successful course completion percentage and maximum time frame allowed.

#### 3.6.1. Receiving Credit from another Institution of Higher Learning

North American University allows for a maximum of 90 undergraduate credits (including credit by examination) to be transferred from a 4-year college or university or a student can transfer a maximum of 66 credit hours from community colleges. Developmental or vocational course work is not accepted for transfer credit for an undergraduate degree, but is taken into consideration for decisions regarding college readiness. Transferable coursework with grades of “C-” or above may be accepted for transfer credit from other institutes of higher learning. Graduate students may transfer up to 18 graduate level credits with a grade of “B-” or above.

North American University requires prospective students with transfer credits to submit official transcript(s) from each previous institution attended. Failure to submit official transcripts from one or more of the previously attended institutions may result in hold of the student’s MyNAU account and revocation of transfer credits. International university transcripts require a course-by-course evaluation, with a calculated U.S. equivalent grade point average, through an approved evaluation agency. Contact the Admissions Office for a list of approved agencies.

#### 3.6.2. Transferring Credits by Examination

Transfer credits for undergraduate students may be accepted through nationally recognized standardized tests such as: SAT/ACT scores and AP Tests and CLEP Tests and ACCUPLACER. Students are required to submit official test scores. Students may also earn credit for COMP 1314 Computer Applications and Literacy course by achieving a passing score in the proficiency exam.
prepared and administered by the institution. A maximum of 30 credit hours may be transferred by credit by examination.

4.2. Payment of Tuition and Fees

Students are solely responsible for their student account and must closely follow payment deadlines to avoid late fees and/or registration cancellation due to non-payment. A student’s registration will not be complete, and thus, may not attend classes, unless his/her student account balance is in good standing. A student’s account will be considered in a good standing if he/she pays off total balance upfront, enrolls in the payment plan, or has sufficient financial aid (e.g. FAFSA) pending disbursement.

The University offers a deferred payment plan to help students pay their tuition and fees. Only students in a good academic and financial standing can take advantage of this plan. A student must consult with the Bursar’s Office or email sa@na.edu to get more information and develop their individual deferred payment plan. Payments can be made online at MyNAU student portal or in person at NAU’s Bursar’s Office. For further details about deferred payment plan please visit NAU website.

Payments may also be mailed to NAU Bursar’s Office:

North American University Bursar’s Office
Main Building, Room 737
11929 W. Airport Blvd.
Stafford, TX 77477

Please write your NAU ID in the memo section of your check. Students must pay close attention to payment deadlines to avoid late fees. The following fees may apply:

- Late Payment Fee: $100.00 (for each late payment)
- NSF (Non-Sufficient Fund) Fee: $35.00 (for each returned check)
- Payment Plan Enrollment Fee: $100.00

4.3. Cancellation and Refund Policies

4.3.1. Cancellation Policy

Students who wish to cancel their enrollment should contact Registrar’s Office. The contact information of the offices can be found on the university website.

A full refund will be made to any student who cancels the enrollment within three days (excluding weekends and legal holidays) after the enrollment agreement is signed. If a student cancels the enrollment after three class days from the date of signing the enrollment agreement but prior to attending any class, the student will get a full refund minus an enrollment cancelation fee.

4.3.2. Refund Policy

Students who drop one or more courses but maintain enrollment for that academic term (i.e., do not drop all their courses) may be given a full refund for the dropped course(s), should the
course(s) dropped before the last day to drop a course without a “W” (specific dates can be found in the academic calendar). Dropping courses may impact financial aid eligibility and students should contact Financial Aid Office for details.

Students who intend to drop all courses in a semester are considered as withdrawing from the university and must submit the official withdrawal form to the Registrar’s Office. A refund for students who withdraw from the University will be calculated based on the following schedule. Class days refer to the number of calendar days the institution normally meets for classes, not the days a particular course meets.

Refund checks will be sent to the student’s permanent mailing address (as recorded with the Office of the Registrar) within 14 calendar days. Those withdrawing students receiving any form of financial aid should also refer to Section 4.4.3 Return of Title IV Funds. This policy provides information about how the students should return financial aid funds for unearned credit. For cancellation and refund policies in regards to the Athletics Fee, students should refer to the Athletic Participation Fee Agreement.
4.4. Financial Aid and Scholarships
North American University offers various opportunities to increase the accessibility of the University’s educational programs to all qualified students. NAU is committed to helping students and their families find sources of financial aid such as scholarships, grants and loans.

4.4.1. Financial Aid Office
The Financial Aid Office helps students with financial planning at NAU. The services of the Financial Aid Office include but are not limited to:

- Assisting students with various financial aid sources including federal financial aid.
- Organizing Financial Aid Workshops for interested candidates to increase their awareness of all financial support available to them.
- Helping students apply for financial aid and fulfill the requirements for continuation of aid.

Students should contact the Office of Financial Aid to learn how they can seek financial aid and/or find scholarships.

4.4.2. Federal Financial Aid
North American University participates in the Federal Student Aid (FSA) program offered by the U.S. Department of Education. To receive federal student aid, eligible students should apply for the FAFSA (Free Application for Federal Student Aid) using the North American University school code (041975) on their application. Students should be enrolled full-time to be considered for full financial aid and be on track for satisfactory academic progress.

Need-based aid is provided to students in the form of grants and loans. The maximum Pell Grant for the 2017-2018 academic year is $5,920. In addition, subsidized and unsubsidized federal direct loans are available in varying amounts depending on a student’s dependency status and year in the undergraduate program he/she is enrolled in. Unsubsidized loans are also available to eligible graduate students.

The FAFSA is available for students to apply throughout the 2017-2018 award year. For more information about federal student aid, please contact the Office of Financial Aid.

4.4.3. Return of Title IV Funds
The return of Title IV funds is a requirement that is applicable to Title IV recipients who are withdrawn on or before 60% of time has elapsed during the period of enrollment for which the student has been charged. The return of Title IV funds formula defines how much Title IV aid a school or student may use to cover incurred costs. A student’s eligibility for Title IV aid may change if that student withdraws, drops out or is administratively withdrawn from the University. To determine the amount of Title IV aid for which the student is eligible, NAU uses the student’s withdrawal date, the amount of aid the student was awarded, the number of days that comprise
the payment period and the number of days completed in the payment period. The calculation is made using the number of days completed divided by the number of days comprising the payment period to determine the percentage earned (the total number of calendar days in a term of enrollment shall exclude any scheduled breaks of more than five days). The percentage earned, subtracted from 100%, will be the percentage of unearned aid that must be returned to the Title IV program. The return of unearned aid is allocated in the following order:

1. Unsubsidized Federal Stafford Loans
2. Subsidized Federal Stafford Loans
3. Federal Parent (PLUS) Loans
4. Federal Pell Grants
5. Federal Supplemental Opportunity Grants
6. Other Title IV grant programs for which return of funds is required

If a student earned less aid than was disbursed, the institution would be required to return a portion of the funds and the student may be required to return a portion of the funds. Students are responsible for any portion of their institutional charges that are left outstanding after Title IV funds are returned. The institution must return the amount of Title IV funds for which it is responsible no later than 45 days after the date of the determination of the student’s withdrawal.

If a student earned more aid than was disbursed, the institution would owe the student a post-withdrawal disbursement which must be paid within 120 days of the student's withdrawal.

4.4.4. University Scholarships

Merit-based scholarships are available for qualified undergraduate students. Scholarship recipients must meet all University requirements for regular admission in the fall and spring semester for eligibility. Full-time students (12 credits or more per semester) may qualify for scholarships toward their tuition as outlined in the table below. Students will be responsible for all other expenses such as application and school fees. Currently, NAU does not offer scholarships to graduate students.

4.4.4.1. Application Procedure University Scholarships

For more information, related to Residential and Community Life, please contact the Dean of Students Office.

5.10.13. **Residential and Community Philosophy**
The residential community is a tightknit society where every resident can live and learn together. The development of Community Living Standards (CLS) is intended to enable students to experience the educational advantages of residential living. CLS provides a recognition that the individual and the community can work together to create an environment that best meets everyone’s needs. The CLS also challenges students to reach consensus agreements, support and challenge peers, and communicate within the context of a learning community.

Through the CLS, each resident has the opportunity to make a valuable contribution through their full participation in the development of the community and campus. Residents have the ability to make decisions in areas such as lifestyle and personal conduct. This process leads residents to develop standards for their respective communities. By defining mutual expectations for how the community will function on an interpersonal level, Community Living Standards provide a mechanism for the community to respond to behaviors that do not align with the agreements. Effectively, it is a tool to help students learn to communicate their needs, to be responsible for their actions, and to hold each other accountable.

As a tool for learning, it not only supports the agreements being made within the community; benefits of this type of learning can be useful throughout a student’s university career, in understanding personal relationships, addressing family issues and even managing interactions in the workplace.

It is the responsibility of each individual to know and abide by university policies, regulations, and expectations to ensure common consideration is afforded to all students. Every member of the residential community shares the responsibility of maintaining an environment conducive to the achievement of the University’s mission.

5.10.14. **Resident Rights and Responsibilities**

Responsibilities ensure that all community members have the same rights regardless of their gender, race, creed, religion, sexual orientation, cultural background, or other identity groups to which they belong; as well as any beliefs, values or attitudes.
The Department of ROFM members cannot guarantee students will retain each of these rights at all times, and must share the responsibility. To help ensure these rights will be honored, students are encouraged to have thoughtful discussion and open communication with roommates, suite mates, floor mates, and other community members. Dormitory staff is committed to offering an inclusive environment.

- The hearing will be recorded. If either party desires to appeal the finding, a copy of the recording will be produced at the expense of the party appealing the finding, and both parties will be furnished a copy.

5.19.3. Student’s Right to Challenge Impartiality

In those cases, the determination of the Dean of Students, a designated appointee or the Disciplinary Hearing Committee is final. In all other cases, however, either party may appeal. If the University hearing officer has been an appointee designated by the Dean of Students, the appeal will be made to the Vice President for Academic Affairs. This includes suspension, pending a hearing, against a student for violation of a rule and regulation of the University at which the accused is a student. 5.20. Grievance/Complaint Procedure
North American University (NAU) is committed to fair and equitable treatment of all members of the institution’s community through compliance with University policies, state and federal regulations, and standards of ethical and professional conduct. As such, NAU ensures that students have the right to formally report complaints or grievances regarding the University itself,
or its faculty or staff or students. All grievances and complaints will be taken into consideration. This includes NAU Distance Education students.

Complaint/Grievance is an injustice or prejudice that a student or faculty or staff member inflicted upon a student and the student deems unjust to their learning or learning environment. It can also be an issue concerning implementation of University policy, procedure and practice. This includes all on campus areas not just in the classroom.

NAU encourages individuals to seek resolution to a grievance/complaint. If a student decides to file a formal Complaint/Grievance, it needs to be done as soon as possible but not exceeding 20 business days from the date of the incident using the Student Complaint/Grievance Form available on the NAU website or from the Student Services Office.

This form needs to be submitted to the Student Services Office by dropping off the form or emailing it to Studentlife@na.edu.

The Student Services Office reviews the submitted form. Depending on the severity of the Complaint/Grievance, student services either submits the form to the appropriate supervisor or convenes the Complaint/Grievance Committee.

*If Student Services Office deems the complaint/grievance can be resolved with a related party or a supervisor the following will happen:*

   Step 1: The Student Services Office informs the student via NAU email ensuring that his/her claim is being taken into consideration and who contacts them next.
   Step 2: The Student Services Office informs the related supervisor/administrator.
   Step 3: Within two weeks, the supervisor determines the best course of action and informs the student via NAU email. The supervisor may contact the related parties during the investigation.

The student has the right to appeal the decision to the Provost. Any appeal must be in writing and submitted to the University Administrative Secretary within five business days of receipt of the supervisor’s decision. The Provost Office’s decision is final.

*If Student Services Office deems the complaint/grievance to be a severe issue, the following will happen:*

   Step 1: The Student Services Office informs the student via NAU email ensuring that his/her claim is being sent to the Complaint/Grievance Committee and the committee will be in contact with them.
Step 2: The Complaint/Grievance Committee is formed by the Dean of Student Affairs (DSA) and the Student Government Association (SGA) and is comprised of two faculty members and two staff members appointed by the DSA, and a student appointed by the SGA.

Step 3: The Complaint/Grievance Committee meets to discuss the complaint/grievance and devise a solution or process, as appropriate within 15 business days. The committee may call a formal hearing to interview the involved parties and/or witnesses, as appropriate.

Step 4: The committee will inform the related parties of the next step or the decision either via email or by formal NAU letterhead.

The committee decision may be appealed to the Provost or President. Any appeal must be in writing and submitted to University Administrative Secretary within five business days of receipt of the committee decision. All communications during this process will be conducted via the official NAU email.

Students can access to complaint procedures and forms following the link: http://www.na.edu/campus-life/student-services/ (www.na.edu → Campus Life → Student Services → Grievance Procedure)

In the event that a grievance remains unresolved, students may submit a formal complaint to the University’s accreditor ACICS (www.acics.org or 750 First Street, NE Suite 980, Washington, DC 20002) or the Texas Higher Education Coordinating Board (THECB). Information about the THECB Student Complaint process, including relevant state regulations, forms, and contact information, is available at the agency’s website: http://www.thecb.state.tx.us/studentcomplaints. Please note that North American University has an Anonymous Incident Reporting System. Students may report such incidents through a confidential reporting system called My Safe Campus. Reports may be submitted anonymously via the website www.mysafecampus.com or by calling at 1-800-716-9007. The confidential report is treated as a formal grievance request and forwarded to the NAU Administration.
