UNIVERSITY

At North American University, we are committed to making higher education accessible and affordable. Introducing **Stallion Tuition Assistance and Resources Scholarship (STARS)**, an initiative where eligible full-time undergraduate students who receive less than the maximum Pell Grant will only pay the difference between their awarded Pell Grant and the maximum Pell Grant each semester (excluding winter and summer).

With STARS, you can pursue your academic goals without financial constraints. Join a community that values your aspirations and is dedicated to your success
