Interest

Is this part of a National Organization? (Yes or No) _____

If Yes, please provide a copy of the National Constitution and/or By-Laws to this application.

Reason (s) for starting Club/Organization on campus:

Detailed Information for Proposed Organization

- 1) How, specifically, will your organization add to the North American University Community?

- 2) Have you spoken to other students on campuses who have expressed a general interest or excitement about this organization? If so, what did they say?

- 3) What organizational skills or ideas do you have to help create a solid foundation for a future organization on the NAU campus? What steps will you take to become organized and ensure that your organization is able to prosper in the future?

- 4) What are some general goals of your organization?

- 5) What are some typical organization activities that you are thinking about planning?

Using the information from the last 5 questions in this ‘Detailed Information for Proposed Organization’ section, please write a rough draft of a Mission Statement for your proposed Organization:

Statement of Understanding:

I and/or we, member(s) of the organization listed on the Student Organization Application Form, are currently enrolled students at North American University.

We certify that if this organization is approved that the organization members will abide by the responsibilities of registered student organizations as stated in the Student Handbook and Student Guide Book to Starting an Organization.

We certify that the organization we represent will not engage in any misconducts including but not limited to the ones defined in the Student Handbook.

Contact Person Signature and/or Proposed members

Date

By signing here and submitting this form you certify that you agree to abide by the Statement of Understanding.
