

## Requirements for Withdrawal

Students who elect to withdraw from the university must fill out the official withdrawal form (available on the Registrar's web page) and submit the form to the Registrar's Office. Students who intend to drop all courses in a semester are considered as withdrawing from the university and must fill out the official withdrawal form. Any forms submitted outside business hours, during weekends or holidays will be processed and effective the next business day. Failure to complete a withdrawal form will result in the recording of the grade of "F" for all courses at the end of the term. Administrative withdrawals are executed when a student appears to no longer be active within the school and fails to submit an official withdrawal form. Students who are administratively withdrawn for non-attendance are not entitled to a refund of tuition or fees. Students withdrawing receive a "W" for each course in which they are enrolled.
