You reported on your Free Application for Federal Student Aid (FAFSA) that you are an unaccompanied youth that is either homeless or self-supporting and at risk of being homeless. To determine your financial aid eligibility, please complete this form and provide all required documentation.

Per the McKinney-Vento Act, homeless children and youths are defined as "individuals who lack a fixed, regular, and adequate nighttime residence."

Unaccompanied – not living in the physical custody of your parent or guardian.

Homeless – lacking fixed, regular, and adequate housing, which includes living in shelters, parks, motels, cars, abandoned buildings, or temporarily living with other people because you have nowhere else to go.

Youth –23 years old or younger or still enrolled in high school as of the day you sign your FAFSA.

NOTE: If you do not meet this definition, you are considered a dependent student and will need to provide your parent’s information on your FAFSA along with their signature to continue the financial aid process.
