Mentoring Program

2018
August 13 – Nov. 18, 2018

Course Format
This is a fully online course. In order to complete this course successfully students need access to a computer and the Internet on a daily basis. This course is both synchronous, (through webinars) and asynchronous (discussion board, group work, etc.).

Duration:
A total of 8 instructional weeks divided into four 2-week modules. Each module is taught by a different set of instructor(s).

Prerequisite:
The only prerequisite for the Mentoring program course is a U.S. high school diploma or college/university diploma (i.e. an associate, bachelor, master’s or doctorate degree) from a U.S. institution of higher education. Students without US high school diploma or college degree from a US institution should enroll and successfully complete a two-week long American Culture and Life program before they can start the mentor program. The content of this two-week training is at the last page of this syllabus.

Virtual Office Hours

This is an online course. You can reach instructors via email or through course website on Moodle. You can also email your criticism and suggestions to mentoring@na.edu or call (832) 230-5557.

Accessing the Course Materials

This course will be delivered through NAU Moodle course management system at Office 365 Portal named NAU Moodle. Students can get access through Office 365 portal with their NAU accounts provided by IT department. For login issues and account problems with NAU Moodle, please contact with Distance Education Support via moodle@na.edu or visit http://www.na.edu/nau-distance-education/

For hardware and software problems other than NAU Moodle system, please contact with IT Department via support@na.edu and make sure to clearly state the technical problem you are facing.

Course Structure

This course will consist of a combination of webinars, online class discussions, videos, and assignments. Class lectures will be through webinars that will allow for your contribution, questions, and comments. In addition to webinars, you are expected to read the articles, watch videos and follow materials covered on a weekly basis.

Technical Requirements

To access this course, students will need access to the Internet and a supported Web browser (Internet Explorer, Firefox, Safari or Chrome). For detailed hardware and software requirements, please visit the following website: http://www.na.edu/nau-distance-education/
Course Technologies

This course requires a webcam and a built-in microphone to attend web conferences. This course requires assignments to be submitted in Microsoft Office or Adobe Acrobat (pdf) file formats. Assignments created using other applications, such as Google Documents, Microsoft Works or WordPerfect, are not acceptable.

Grading

Every two weeks are independently graded. The student should amass 70 percent of the grade in each module to successfully complete that module. Student should pass all four modules separately to pass the program and receive a certificate.

The following table summarizes the requirements and grading of the assignments in each module. The specific instructions for each activity are included in the appropriate forum, assignment, or quiz on the course NAU Moodle website.

Discussion Forums

Students should participate in discussion forums and complete discussion activities with correct English usage, accurate spelling, and standard grammar. Students are expected to post a response to the discussion questions early in the week and maintain a thread of discussions throughout the week as they respond to their classmates.

Points will be given for:

- Following the timeline and quantity of posts to discussion questions
- Offering ideas or resources and inviting a review of them based on readings
- Articulating, explaining and supporting positions on ideas
- Exploring and supporting issues by adding explanations and examples
- Reflecting on and re-evaluating personal opinions based on readings
- Offering a review, challenging, discussing and expanding ideas of others
- Negotiating interpretations, definitions, and meanings
- Responding to at least two other students’ responses

Webinars

The instructors will be conducting 30 to 90 minutes’ webinar sessions every week. The webinars will include lecturing, reviewing course requirements, and answering any questions students may have. For this the student should use the chat box.

Webinar links will be posted on course website. Make sure that you installed Gotomeeting software/app to participate in the webinar sessions. Please refer to our technical support website to get more technical information: http://www.na.edu/nau-distance-education/video-tutorials/
Other Assignments or Activities
There will be no exams in this certificate program, only discussions and quizzes, which you can virtually take at your own pace.

Students are responsible for:
- reading any assigned reading as stated in the weekly blocks of the course page
- reviewing the web-page resources posted in the NAU Moodle course site for each week
- reading all discussion postings in the weekly blocks as assigned
- posting weekly discussion postings as assigned
- assuring that their computer/device is compatible and working to engage effectively in this online course
- uploading assignments before or on the assigned due date/time

Students can expect:
- The instructor will return email communications within 24 hours unless otherwise announced in the course page.
- discussion participation will be responded to/graded after 7 days of the due date
- Assignments and tests will be graded after 7 days of the due date.

Academic Honesty
Academic honesty is a fundamental principle of learning and a necessary foundation for all academic institutions. North American University expects students to be honest and demonstrate integrity in all aspects of their relationship with the university (e.g., application, transfer evaluation, course work, internships, student teaching, and interactions with faculty, staff, and students).

Violation of this principle includes, but is limited to, cheating, plagiarism, unauthorized collaboration, forgery, and alteration of records, along with lying, deceit, bribery, coercion, or intimidation for the purpose of influencing a grade or for any other academic gain.

Such violations are unacceptable and resulting actions may range from a reduction of the grade on an assignment, through failure of a course, to suspension or even dismissal from the academic program or the university.

ADA Statement
When possible, and in accordance with 504/ADA guidelines, we will attempt to provide reasonable academic accommodations to students who request and require them. Please call North American University at (832) 230-5555 for more assistance.
